ABOUT INDIAN PLAST PACK FORUM

Established in Indore in 1996, the Indian Plast Pack Forum (IPPF) is a representative body of the plastics and packaging industry in Central India. With over 600 active members, IPPF organizes exhibitions, seminars, and networking activities that bring together manufacturers, suppliers, and industry professionals. Its flagship exhibition, Plast Pack, is a recognized platform for business opportunities and industry interaction. The forum is currently led by Mr. Sachin Bansal, President, and Mr. Ankit Bharuka, Hon. Secretary.
